

The JMCF financially assists cancer patients in active treatment (chemo, radiation, targeted therapy, or cancer surgery) so monthly expenses can be paid (rent, utility bills, groceries, car repairs, treatment travel expenses, child care, and needed medical equipment/supplies). Thereby enabling the patient to have funds left over to pay doctor bills & co-pays. Patients are referred to the JMCF by their oncology LSW, oncologist, radiologist, OR by the American Cancer Society. Self-referrals are also accepted.

To receive assistance the applicant must be receiving cancer treatment within the foundation's service area or be a resident living within the service area.

The Foundation does not pay doctor bills or co-pays nor does it pay for non-traditional treatments such as herbs, etc. The patient's signature & their treating radiologist/oncologist or oncology LSW signature is required on the application. Utility bills and rental information is submitted along with the application. The treating physician is contacted to verify the patient's treatment status. All bills are paid directly to the provider by the JMCF to ensure proper use of donated funds.

*JMCF is a Proud Grant Recipient of the
Jim & Juli Boeheim Foundation*

The Foundation hosts 4 fundraisers a year and continually accepts online & mail-in donations to assist cancer patients. Events are listed on the Foundation webpage (www.thejmcf.org) under the Events tab and are posted on the Foundation's Facebook page. To date, the Foundation has assisted over 600 cancer patients exceeding \$230,000. This would not be possible without the kind support of our patrons & local community. The Foundation works with Upstate Cancer Center, Upstate Golisano's Children Hospital, MVHS Cancer Center, Bassett Cancer Center in Herkimer, Roswell Park, Sloan Kettering, Dana Faber, University of Rochester, and several oncology/radiology offices throughout the CNY service area. The treatment status of all applicants is verified before assistance is provided & bills are paid directly to providers to ensure the proper use of donated funds.

Testimonials from Patients assisted by Joseph Michael Chubbuck Foundation

Thank you for your assistance. Your Foundation is one of the only organizations the American Cancer Society has listed to help patients financially. I wish there were more organizations to help cancer patients with their monthly expenses because I know the need is great. Thank you again for your help!" **Julie**

Thank you so much for the assistance. I go to chemo and I can't afford a car, so I have to take cabs everywhere. Your foundation is a wonderful help to me. God Bless." **Betty**

"I would like to express my sincerest thank you for your unconditional generosity thru a very tough time.... God Bless You." **RC**

The Foundation was named after Joseph Michael Chubbuck, who passed away from a rare and aggressive form of clear cell sarcoma at the age of 22. He was diagnosed 2 days after his 21st birthday & passed away 17 months later on Aug. 1, 2013. He received treatment at UPMC in Pittsburgh and MD Anderson in Houston, TX. Joey's wish was to start a charity to help cancer patients & their families. He knew how hard it could be. The JMCF 501c3 NYS charity was registered & approved in September of 2014. The charity publically launched in January of 2015.
